LETTER FROM BOARD VICE CHAIR OF DEVELOPMENT

Dear Supporters,

As we approach the holiday season, we find ourselves reflecting on the increased challenges and needs of our youth and the many ways we can come together as a community to make this time truly special. Each of our youth deserves moments of joy, celebration, and the essentials that so many of us take for granted.

This year, we've put all our meaningful opportunities in one place for you to get involved and directly support our youth during this critical time. These opportunities focus on our Fall Festival, Thanksgiving, and Holiday Celebrations—moments where your involvement can make a profound difference. Whether you choose to donate, volunteer, or sponsor an event, your participation ensures that our youth have access to the essentials they need and the joy that every young person should experience.

We invite you to consider the impact you can have by participating in one or more of the opportunities available. Handy relies on the compassion and generosity of our community to continue providing the care, support, and hope our youth need to thrive.

Please take a moment to review the enclosed packet and join us in making this holiday season unforgettable for our youth. On behalf of Handy's Board of Directors, thank you for your continued support.

Sincerely,
Kathleen Thomsen
Vice Chair of Development
Handy Board of Directors
